Miss Julia Bennert appears to-night in two characters and will again charm her hearers. We never before heard such unanimity of opinion as we have concerning the talents of this accomplished actress-All acknowledge her superior merit, and express themselves delighted with the charming naturalness of her acting. The "Wonder," we believe never played here, will be acted to-night, with the celebrated nautical Drama of Black Eved Sesan; this also is the last night of the engagement of Miss Ju-LIA BENNETT. Cannot her stay be prolonged? not half our citizens have, as yet, seen her more than once, and heracting is of that kind one never tires of.

THE FEVER IN NEW ORLEANS.

From the New Orleans True Delta of the 16th we take the following paragraph, the contents of which will be particularly gratifying to many of our

CHARITY HOSPITAL.—The report of this institution for the past week shows: Admissions, 216; discharges, 164, of which 25 were yellow fever cases. Deaths, 40, of which 24 died of yellow fever. There are now in the Hospital 577 patients under treat-ment. It will be perceived that the yellow fever deaths have decreased 50 per cent. during the past week. At present there is scarcely a case in the city except those which occur in the hospital.

YELLOW FEVER.

The Board of Health of New Orleans have formally declared that the epidemic no longer exists in that city."

The interments in Mobile on the 14th, from yellow fever, were five, and on the 15th, three.

THE YELLOW FEVER.-The interments at New O.I ans for the week ending on the 8th were 133, of which 55 were of yellow fever, and 36 of the latter came from the Charity Hospital. The total number of deaths from May 28 to October 28 were 10,967, of which 8,198 were of yellow fever.

LIBERAL,-The Mechanics' Library Association acknowledge the receipt of a donation of fifty dollars from Samuel W. Adkinson, Esq., of Davidson county. Mr. ADXIN ON is known as a liberal and public spirited gentleman.

VALUABLE PROPERTY FOR SALE.—We would call attention to the sale of valuable property advertised to be sold to-day, by R. W. Brown. This property is eligibly located, and presents great inducements to purchasers. See advertisement.

Johnson, Honn & Co .- The attention of our country friends is called to the card of these gentlemen. They will find them at the old stand of JOHNSON & SMITH, on Broad street.

Ewin Brothers.-Among the large wholesale drug stores of the city, we are pleased to number the above reliable house. They have just opened one of the largest and best assorted stocks of drugs to be found in the city, and we doubt not country dealers will find it to their advantage to give them a call. See advertisement.

LANDE, ELSBACH & Co., advertise a very extensive assortment of clothing in this morning's paper. We have examined their took and can say that they have one of the largest in the city. The styles are of the latest mode, and the material, very superior. They can fit all-from the "mewling, puking" child to the rotund alderman.

LOUISVILLE AND THE CUMBERLAND RIVER TRADE.

The Louisville Journal says:

CUMBERLAND RIVER TRADE.—a proper estimate of the value and importance of the trade of this river to our city seems at last to have forced itself upon the attention and awakened the cupidity of our business community. No sooner is one fine packet completed than a second is projected. We learn with pleasure that several of our leading merchants and business men have already obtained considerable subscriptions towards building this fall another very fine boat for this trade, and from the general interest we hear expressed in the matter, we expect very soon to see the splendid and beautiful steamer Wm. Garvin equalled if not eclipsed by another boat. The gentlemen at the head of the enterprise, impressed with the advantages of a semi weekly communication with Nashville which this line will secure, are a sufficient guaranty to us that it will be speedily accomplished, and thus the trade that has ntherto swept by us into the coffers and warehouses of rivals without a "parting symptom of regret," will now be secured and attached to our growing community.

We hope all our business men will cheerfully aid this "Louisville enteprise," All are interested, all are to be benefitted.

NASHVILLE-Its Capitol.-The editor of the Carleston Advocate, in a letter from Nashville, thus speaks of the new building now erecting by the

State, in this city: The Capitol, one of the most magnificent buildings in the world, is now nearly completed. It is built of solid limestone, quarried near the hill on which it now stands, and covers exactly an acre of ground. The architecture is of the Ionic order, and the ornamental part exceedingly rich. Its roof is of Tennessee copper, and the platform for the Speaker, of Tennessee marble. The cost of the edfice is a million of dollars. From the base of the dome a striking panorama meets the eye. The city lies below on a bend of the Cumberland river.-At a distance of one hundred miles the blue peaks of the Cumberland mountain rise above the horrizon. An amphitheatre of hills sweeps around the city, the population of which approaches twenty thousand. Coming down from our noble "post of observation," we passed the house formerly occupied by President Polk. It lies at some distance from the street, and has in front a monument erected over the remains of the late statesman. Many of the houses of the city are built with elegance. It is the fashion to paint in oil colors the brick houses, and these colors being generally light drab there is an air of freshness which we miss in the

Weather fine, City healthy. F. G. Farrell's ce ebrated Arabian Liniment triumph

THE following is from the principal accountant of the wealthy and highly respectable house of Messrs. Voris & Bro., of this city, and presents ONE OF THE MOST WONDERFUL CURES IN THE ANNALS of medical history. Mr. H. G. Farrell — Dear Sir. Actuated by a sense of grate-fulness, I submit the following as an instance of the utinity of yo'r great medicine. My child, three years old, was suddenly at acked with a terrible disease, which in less than six hours prostrated it to total helplessness. The limbs be-came so riged that not a joint could be bent; the flesh turned black and cold and entirely deprived of feeling; the eyes fixed, partially closed and altoge her blind, following this was dearlness to all sounds, the spine became contracted and so curved that when lying on its back the head and heels only touched. Indeed, the child presented every appear-ance of being dead. Immediately on the attack, the family physician was called in, and for three weeks he labored to restore it to feeling, but all in vain, although it was blistered A consultation of physicians was then held, but to no pur-pose, the case was then brought before the Medical Society, but nothing could be suggested which had not already been done, and the doctor then told me be could do nothing more. We then commenced applying your Liniment freely over the entire length of the spine, and you may imagine a par-ent's joy, when, after a few applications, returning animation was apparent, and it rapidly recovered with the excep-tion of the sight, which did not become perfect for near a month. The child is now healthy and robust as can be. Five other cases of the same kind occurred previously in my neighborhood, all of which died, when there is no doubt i

your Liniment had been used they would have recovered HENRY G. CLELAND. Peoria, March 1st, 1851.

A HARD LUMP ON A HORSE'S BREAST. Mr. H. G. Farrell:—I have used your Arabian Linimer with gratification in several cases, the most remarkable which was a large lump that appeared on my horse's breast. It was very hard, appearing to be hard gristle. It remained for nearly a year, when I applied your Limiment, one bottle of which entirely cured it. I can recommend it as the best Limiment I ever used.

JOHN CRAWL. Peoria, Feb. 20th, 1846.

Look out for Counterfeits! The public are cautioned against another counterfeit, which has lately made its appearance, called W. B. Farrell's Arabian Liniment, the most daugerous of all the counterfeits, because his having the name of Farrell, many will buy it in good faith, without the knovledge that a counterfeit exists, and they will perhaps only discover their error when the counterfeits and they will perhaps only discover their error when ista, and they will perhaps only discover their error when the spurious mixture has wroughtits evil effects.

The genuine article is manufactured only by H. G. Farrell, sole inventor and proprietor, and whole sale druggist, No. 17 Main street, Peoria, Illinois, to whom all applications for Agencies must be addressed. Be sure you get it with the letters H. G. before Farrell's, thus—H. G. FARRELL'S and his signature on the wrapper, all others are counterfeit.
